Did you know?

The Hamlet of Plamondon (a few minutes from the hamlet of Lac La Biche) is one of only four Alberta municipalities officially designated as bilingual. When you're in the area, be sure to check out Plamondon Museum & Mini Parc Heritage Park, which features miniature replicas of Plamondon's first building and homesteads and honours the beginnings of this French-speaking and proud community.

Hidden Gem!

According to Travel Alberta, Sir Winston Churchill Provincial Park is Alberta's only island Provincial Park. There's everything for the outdoor enthusiast in any season, with endless opportunities for camping (including winterized comfort cabins) as well as groomed ski, walking, mountain bike trails; fishing and water sports; white sand beaches; and bird watching. Located across a land bridge, this park is renowned for its old-growth forests, and also features a community facility for special functions or meetings.

Hidden Gem!

Winter Festival of Speed: held annually in February/March, this ice-racing spectacle calls thrill-seekers from across Western Canada to race cars, motorcycles, snowmobiles, and more across the frozen surface of Lac La Biche Lake.

Did you know?

AHS contracts 11 fixed-wing aircraft to provide 24-hour air ambulance services throughout the province, and Lac La Biche has one of those bases.
Air ambulance is closely integrated with ground ambulance since both are part of the health system, with consistent medical direction and an integrated dispatch system.

We are connected to the **Lakeland Primary Care Network**

We are part of the **Lakeland Health Advisory Council**
