Hidden Gem!

Since 1912 the Empress Theatre has provided a broad spectrum of high quality arts and cultural events to the people of rural Southern Alberta. The theatre is currently designated an Alberta Historic Resource, is owned and maintained by the Town of Fort Macleod and is operated on their behalf by the Empress Theatre Society. Fun fact: the Empress Theatre is thought to have resident ghosts, and patrons have, on occasion, had a 'ghostly experience'! [Click here to read more](#)
