Hidden Gem!

According to one of its local board members, the Rimbey Farmers' Market is an extremely popular 'go-to' on Saturday mornings from 9:30 to 11:30, May through October. It easily attracts 40+ vendors along with 500+ buyers on a weekly basis. From fresh, locally-grown seasonal produce, fruit, flowers, and plants, to local woodwork and blacksmithing, to woven baskets and handmade soaps, to handmade jewelry, knitting, baking, and succulent sweets, you'll find it all here! The Market, one of the longest-standing in the province, is a member of the Alberta Farmers' Market Association and has won numerous awards over the years.
