Hidden Gem! Gargantua Caves: This limestone cave is located just to the west of Crowsnest Pass on the BC/Alberta border. The hike to the cave is challenging but the scenery and views along the way are worth it. The exit is through a waterfall so make sure to visit when the water is not frozen!

We are connected to the **Chinook Primary Care Network**

We are part of the **Oldman River Health Advisory Council**

We acknowledge Treaty 7 territory - the traditional and ancestral territory of the Blackfoot Confederacy: Kainai, Piikani and Siksika as well as the Tsuu T’ina Nation and Stoney Nakoda First Nation. We acknowledge that this territory is home to the Métis Nation of Alberta, Region 3 within the historical Northwest Métis Homeland. We acknowledge the many First Nations, Métis and Inuit who have lived in and cared for these lands for generations. We are grateful for the traditional Knowledge Keepers and Elders who are still with us today and those who have gone before us. We make this acknowledgement as an act of reconciliation and gratitude to those whose territory we reside on or are visiting.
