**Hidden Gem!** Aspen Crossing, located a half hour from the town, is a heritage railway consisting of 9 vintage rail cars. They offer a total of 12 different themed rail excursions lasting approximately 3 hours. Each excursion offers live musical entertainment, and some have an entertaining train robbery to enhance the step back in time. At Christmas time, they offer the Polar Express experience.

We are connected to the **Calgary Rural Primary Care Network**

We are part of the **Prairie Mountain Health Advisory Council**

The Town of Vulcan is located on Treaty 7 territory, the traditional territories of the Blackfoot Nations, including Siksika, Piikani, and Kainai, the Tsuut’ina Nation, and Stoney Nakoda First Nations. We acknowledge all the many First Nations, Métis, and Inuit peoples who have lived, traveled, and gathered on these lands for thousands of years.
