Hidden Gem! As one of seven cabled ferries remaining in Alberta, the Klondyke Ferry is a free 10-minute ride for pedestrians, cyclists, and motorized vehicles. A picturesque meadow welcomes you at the south landing with a self-registration, 10-unit campsite area, including sheltered cooking. From here you can explore the Vega Natural Area and have access across the Ferry to the Fort Assiniboine Sandhills Wildland Provincial Park with scenic views, dune formations, and miles of trails for hiking, biking, and horseback riding.
