Hidden Gem! Centennial Park is the town's biggest park and features a natural amphitheater, gathering spaces and the Napoleon Lake Loop, a 4km walking trail. There are fire pits and picnic areas, nature watching platforms, and a playground. Centennial Park is used for town events and sometimes even live entertainment. It is a great space to enjoy a picnic with friends and family.

We would like to acknowledge that we are on Treaty 7 territory, the traditional territories of the Blackfoot Nations, including Siksika, Piikani, and Kainai, the Tsuut'ina, Nation and Stoney Nakoda First Nations. We acknowledge all the many First Nations, Métis, and Inuit whose footsteps have marked these lands for centuries.
