Hidden Gem! Bergen Rocks International Sculpture Park: Founder and sculptor Morton Burke invited artists from around the world to join him on his acreage in Bergen to create a monumental stone installment. The project was organized, hosted and funded by Burke, and remains a beautiful feature of Sundre and area.

We respectfully acknowledge that we are located on Treaty 6 and 7 territories which have been the traditional meeting ground, gathering place and travelling route for the Blackfoot Confederacy, Tsuu t'ina, Stoney Nakota and the Otipemisiwak Battle River Territory District 3 Métis. We also wish to publicly acknowledge the many First Nations, Métis and Inuit whose footsteps have marked these lands for centuries.
