

# RPAP | Health Workforce for Alberta

## 2014 — 2015 Key Performance Indicators

RPAP has developed Key Performance Indicators (KPIs) for each of its programs and major stakeholders. They are used to help manage, control and achieve program effectiveness and results throughout the organization.

**RPAP**

Visit [rpap.ab.ca/kpi](http://rpap.ab.ca/kpi) to view KPI information from previous years.

### AWARDS & BURSARIES

The RPAP offers two financial support initiatives to medical students: the Rural Medical School Award, and the John N. Hnatuik Rural Medical Student Bursary.

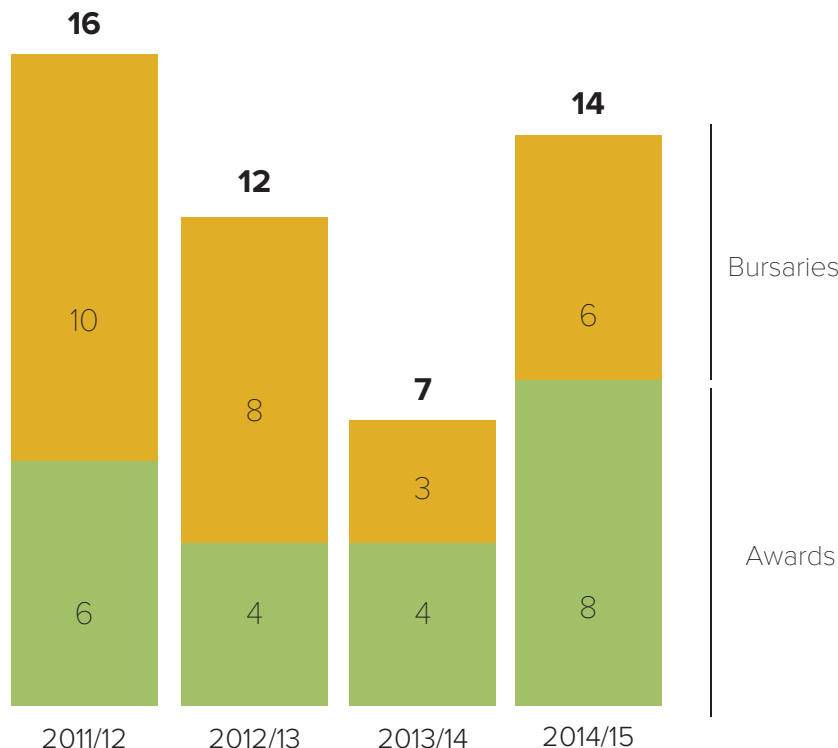

The RPAP Rural Medical School Award provides \$5,000 for each year of medical studies to assist with the student's tuition, accommodation, living and/or travel expenses. Each year, up to six Rural Medical School Awards are available.

The RPAP John N. Hnatuik Rural Medical Student Bursary provides full tuition, including differential fees, for each year of medical studies. Each year, up to ten Rural Medical Student Bursaries are available.

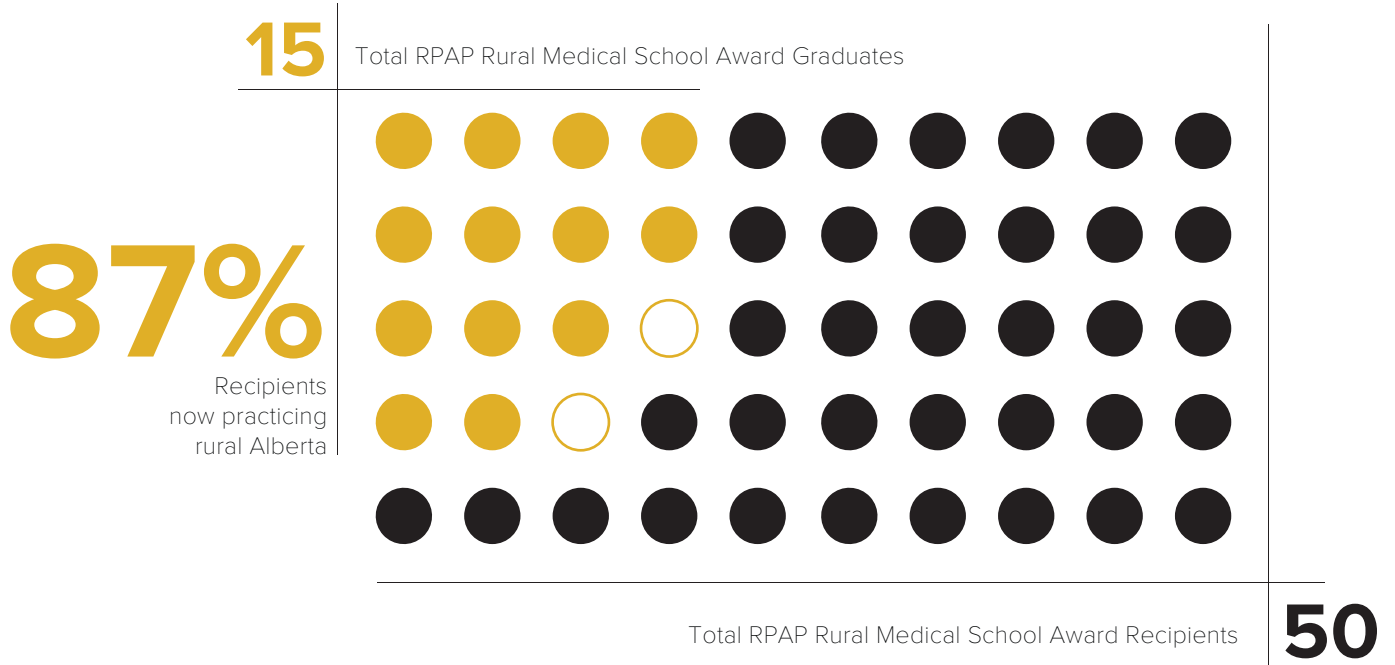

#### Objective

These two initiatives aim to encourage students who come from a designated rural area to pursue a career in rural medicine by reducing their financial burden.

### Number of Rural Medical School Awards and Bursaries

### Rural Medical School Award Successes (Since 2004)

### John N. Hnatuik Rural Medical Student Bursary Successes (Since 2006)

## Rural Medical School Awards and Bursaries Amounts

HEALTH  
WORKFORCE  
FOR ALBERTA

RPAP | Health Workforce for Alberta supports Alberta's rural practitioners, their families and communities in improving the quality of rural health care by offering comprehensive, integrated initiatives to enhance rural medical services, education, attraction, recruitment, and retention.
