RPAP | Health Workforce for Alberta
2014 — 2015 Key Performance Indicators

RPAP has developed Key Performance Indicators (KPIs) for each of its programs and major stakeholders. They are used to help manage, control and achieve program effectiveness and results throughout the organization.

Visit **rpap.ab.ca/kpi** to view KPI information from previous years.

## ALBERTA RURAL FAMILY MEDICINE NETWORK (ARFMN)

The Alberta Rural Family Medicine Network (ARFMN) offers a two-year rural-based Family Medicine residency training program that focuses mainly on rural and regional community and hospital practices within rural Alberta. The program is offered collaboratively through the University of Alberta and University of Calgary Family Medicine residency programs, Rural Alberta North (RAN), and Rural Alberta South (RAS), respectively.

RPAP provides extensive support to the Network's residents, both financial and infrastructural, and it also supports ongoing faculty development to preceptors through its Practical Prof webpages.

Objective
To offer dedicated family medicine residency training to prepare competent physicians for the broad demands of rural practice and to help the attraction and retention of physicians in rural Alberta.

RAN/RAS first year resident (PGY1) positions filled per year

Rural Alberta North (RAN)
Year after year, 100% of the RAN PGY1 positions are filled.

Rural Alberta South (RAS)
Year after year, 100% of the RAS PGY1 positions are filled.

HEALTH WORKFORCE FOR ALBERTA

RPAP | Health Workforce for Alberta supports Alberta's rural practitioners, their families and communities in improving the quality of rural health care by offering comprehensive, integrated initiatives to enhance rural medical services, education, attraction, recruitment, and retention.
